Lake Charlevoix Emergency Medical Service Authority
Proposal for Ambulance Operating Millage

This proposal will permit the Authority to levy up to 1.5 mills for the purpose of providing funds for operating, equipping, and maintaining ambulance services within the territorial limits of the Authority in the years 2021-2025, inclusive.

Shall the limitation on the amount of taxes which may be imposed on taxable property within the territorial limits of the Lake Charlevoix Emergency Medical Service Authority, which is composed of Hayes Township, Charlevoix Township, Marion Township, and the City of Charlevoix, Charlevoix County, Michigan, be increased by up to One Dollar Fifty Cents (\$1.50) per thousand dollars (\$1,000) (1.5 mills) of the taxable value on all taxable property within the territorial limits of the Authority for five (5) years, 2021 through 2025, inclusive, for the purpose of providing funds for operating, equipping, and maintaining ambulance services within the territorial limits of the Authority, and shall the Lake Charlevoix Emergency Medical Service Authority be authorized to levy such millage for these purposes? If approved and levied in its entirety, it is estimated that the 1.5 mills would raise an estimated \$1,148,516.01 for the Authority when first levied in 2021.
