Hayes Township Veterans Memorial

We honor and thank our Veteran's every day, and welcome everyone to visit the Hayes Township Veteran Memorial, located next to the entrance of our township hall. The plaques hold the names of the brave men and women who have so selflessly served our country. The most recent addition of names to the memorial was added on Veteran's Day in November of 2022. If you or someone you know is a Hayes Township resident and has served in the military and would like to be added to our Veteran area, please share them with us at (231)547-6961.

Furry Fox Friends

We have some more sweet visitors in the township! Please remember, with all wild-life, to view them at a distance and never approach an animal. We want to keep all residents, furry or not, safe.

The care packages have arrived to our oversea troops! They were very excited to check out the goodies and have a taste of home. We are collecting donations for the next shipment.

Call the office or email treasurer@hayestownshipmi.gov for more details.

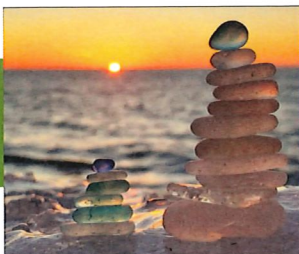

Our Board of Trustees and residents would like to say a big "Thank you!" to the Little Traverse Bay Bands of Odawa Indians for their continued support and assistance with road work in Hayes Township. We are thankful for the excellent partnership and communication we share and are dedicated to continuing future improvements together.

Come On In, The Water's Fine!

How many times have you driven past the Charlevoix Country Club on US-31 and noticed the sign that says, "Pool -Open to Public"? And how many times have you stopped in to say hello, take a dip, or enjoy the hot tub spa?

During a recent "Meet-and-Greet" event at the pool for members of the Charlevoix Chamber of Commerce, several said, "Gosh, I'm glad to see the pool, the hot tub, the schedule of classes. I've never been here before, but I'll be back!"

If you are a "passerby," take this article as an invitation to stop in and say hello. We will welcome you warmly.

HERE ARE SOME BASIC FACTS:

- We offer lap swim, open swim, fitness classes, water safety classes, time for swimmers with disabilities, a hot tub, and special family events such as a "Beach Bash" in December.
- Our pool is available for rentals for events such as birthday parties.
- Our pool is one of only six nationwide that, at the time of construction, was an independent non-profit organization independent of a municipality or school district. We were built just by donations and volunteers.
- We are celebrating our 25th anniversary as a non-profit organization governed by an all-volunteer Board of Directors. (Two members of our board are from Hayes Township: Ed Russel and Sharon Hoffman.)
- We have one full-time employee, Ms. Kathy Klimas, Pool Manager. Her primary helper is Chelsea Biddick, Program Coordinator, and they are joined by our team of front-desk staff who can answer questions, and our many volunteers and part-time lifeguards and instructors who keep things running smoothly.
- We always are looking for strong, bright, and motivated lifeguards to certify and hire!
- We value our partnerships with the Coast Guard, the Fire Department, local schools, the Chamber of Commerce, and many philanthropic organizations.
- The Chicago Club generously pays for water safety classes for students who live in the Charlevoix School District and are bused to the pool during the school day.
- In 2022, in spite of lingering covid worries, we had 15,109 pool visits.
- In the same year, we had 3,716 individual pool users, and we provided swim lessons and water safety classes to 451 children. We are doers, and we are growing!

Please visit our website (www.charlevoixpool.org) for a copy of our 2022 Annual Report, the Pool Schedule, and fee structure. Residents of Hayes Township receive a 20% discount on all services and classes because we receive tax millage from the Township. We appreciate your support for our pool, which is for all ages and abilities.

Call us at 231-547-0982 if you have questions or would like to have information sent to you online or via snail mail. Come on in, the water's fine!
